the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1 million (Office of National Statistics 1999).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's health and social care. The strategy is based on the following principles:

- Older people should be able to live independently and actively in the community.
- Older people should be able to access the services and support they need.
- Older people should be able to participate in decisions about their care and support.

The strategy also sets out a number of key objectives, including:

- To improve the health and social care of older people.
- To ensure that older people have access to the services and support they need.
- To ensure that older people are able to participate in decisions about their care and support.

The strategy is a key document for the development of services for older people in the UK. It provides a framework for the development of services and for the evaluation of service performance.

The purpose of this paper is to review the current state of research on the health and social care of older people in the UK, and to identify areas for further research.

The paper is organized as follows. Section 2 provides a brief overview of the current state of research on the health and social care of older people in the UK. Section 3 discusses the need for further research, and Section 4 identifies areas for further research.

Section 5 discusses the implications of the findings for the development of services for older people in the UK. Section 6 provides a conclusion.

Section 7 provides a brief overview of the current state of research on the health and social care of older people in the UK. Section 8 discusses the need for further research, and Section 9 identifies areas for further research.

Section 10 discusses the implications of the findings for the development of services for older people in the UK. Section 11 provides a conclusion.

Section 12 provides a brief overview of the current state of research on the health and social care of older people in the UK. Section 13 discusses the need for further research, and Section 14 identifies areas for further research.

Section 15 discusses the implications of the findings for the development of services for older people in the UK. Section 16 provides a conclusion.

Section 17 provides a brief overview of the current state of research on the health and social care of older people in the UK. Section 18 discusses the need for further research, and Section 19 identifies areas for further research.

Section 20 discusses the implications of the findings for the development of services for older people in the UK. Section 21 provides a conclusion.

NEED WE SAY MORE....

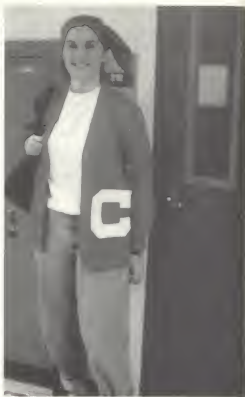

# Spirit Week

During the week of September 18th the Calumet students tried to show their spirit by dressing up during spirit week. Traditional spirit days weren't so traditional this year. Starting with Monday we had Career Day, Tuesday was Kid Day, Wednesday was 50's Day, Thursday was Class Color Day ( Freshman green, Sophomores black, Juniors strips, and the all mighty Seniors with YELLOW). Last, but not least, on Friday everyone busted out wearing red and white. Spirit Week was well participated in this year. Good job everyone!!

Above: Michelle Conner, Jennifer Jakubowski, and David Westacott stop playing ring-around-the-rosy to pose for a picture.

Above: "Hey Daddy O," says Lyniece Lester, "take my picture." Left: "Oh my is there a Doctor in the house?" calls out Scott Swickard as Kathalina Hernandez rushes to his rescue. Below: Even though Ludovick Garcia, Kara Stewart, Heather Suko, and Albert Jones are SENIORS they say they are still kids at heart.

*Senior Kara Stewart gets a little advice from her favorite coach Mr. Madkins.*

# Tied Up!

The rain couldn't even make these dedicated girls call off the game! After two weeks of practicing everyone was ready to play a good game. Last year's winning team of Juniors and Sophomores, now Seniors and Juniors on different teams, wanted to defend their title. After the uneventful first half, Senior quarterback Kara Stewart called a play, faked out the defensive team and scored the first touchdown of the game. Everyone thought the Seniors and the Sophomores would be the new winners. But the game was not over yet. With .38 seconds left Michelle Jordan scored a touchdown. The coaches decided not to go into overtime. Leaving the final score 7 to 7. A good job to all those who participated. We want to thank the guys for their nice cheerleading squad and the band for the delightful music.

# Warriors on the Warpath!

On September 22, 1995 the fighting Calumet Warriors took on the Whiting Oilers. To begin the game Bryan Lukawski handed off the ball to Mark Botts. Mark Botts then ran the ball for a 4 yard Warrior touchdown. Seleno Gomez said, "The Warriors played very well the first half but the defense just didn't step up the second half." At the end of the first half the score was 20-21 in favor of the Oilers. Even though the Warriors were down throughout the whole game, the crowd never stopped cheering. The final score of the 95 homecoming game was 46-20 Oilers. After the game the team cried together, not because they lost, but because for half of the team it was their last homecoming game. Despite the loss everyone was very proud of the team and enjoyed themselves at the dance.

# SENIOR BANQUET

One of the last hoorays for the Class of 1996 was at the senior banquet. Weeks of preparations went into making it the success it was!! To start off the night the CHS cafeteria prepared a wonderful dinner, followed by some mighty tasty desserts compliments of the Seniors. Next came the Academic Awards, such as Scholarships, the arrowhead award presented to David Bisbee, and the presentation of the top ten percent. Last but not least came the gag Awards. Many new categories were added to the list this year such as, most annoying laugh, most musical, class phony, class mooch, and class hoopdie. Another tradition was rekindled at the end of the night, a Senior dance. The DJ was 1995 Calumet graduate Don Stash.

The yearbook staff would like to wish the best of luck to the class of 1996!!!!

Above: David Bisbee, Adrian Wilkerson, Kelly Duncan, Brandy Bailey, Michelle Conner, and David Gorgory graduate with honors. The class of 1996 had more Indiana Diploma recipients than any other CHS class.

The night that everyone has been waiting for finally arrived.....PROM!! Everyone gets all dressed up for one big night of fun, flowers, and romance. Girls spend all day with hair appointments, tanning and make-up. On the other hand, the boys wake up around 1:00, go out and shoot some hoops, then take a shower, get dressed and then pick up their dates.

This year's prom was sponsored by the class of 1997. The theme for prom was "When I Dream About You." It was held at Dynasty

Hall on April 27. The hall was beautifully decorated by Ruffles Ballonary and pictures were taken by Walburg. The D.J. Geroge Such had the house rocking with some of the greatest hits. The night ended with the highlighting of the crowning of Nick Botts and Renee Bell.

Top photo: Billy Johnson and Jay Fulton thought that it was the most romantic night of their lives.

Flash-  
back  
D a y ,  
Pajama Day,  
Class Color Day,  
Mismatch Day, and  
Red -N- White Day,  
what's this sound like? Spir-  
it week at CHS. Student Coun-  
cil started a new tradition this  
year, the Penny Wars!! Each class  
president carried an empty milk jug dur-  
ing sectional week to raise money for  
Riley's Children's Hospital. The object  
was to raise the most money by the end of  
the week, but there was only one catch,  
pennies counted against you. If other  
classes wanted you to lose they would  
search their couches for all the pennies  
they could find then sabotage each other's  
chances of winning. The Penny War  
was a great success. The classes combined  
together to raise \$400 for the hospital.  
The Juniors won with \$97 at the end of the  
week. At the pep rally Junior president  
Salina Malone threw pies in the faces of  
the losing class presidents. Other events  
of the week were class spirit chains won  
by the Freshmen, Hall decorations by the  
Seniors. Another new tradition started  
was the Spirit Tomhawk. The stick is given  
to the class that shows the most spirit  
during the week- won by the Juniors!

The basketball team had a great season  
this year, capping it by winning sectionals  
with a defeat over conference champs the  
Morton Govs. CHS fans were at every  
game cheering the team on to victory.  
Coach Traicoff thanks everyone for their  
support throughout the season. We like to  
wish the team the best of luck next year!!

Below: "I'm catching the vibes," says David  
Bisbee.

SENIOR Class of 1996.

### What was your favorite spirit week day?

Kathalina Hernandez said, "Flash Back Day, because I got a whole outfit for \$4.11 at the Salvation Army."

### Who dressed the best during spirit week?

Melissa Reid says, "Jason Scott really dressed good. He dressed up for all the days."

### How did spirit week go this year?

Jennifer Downing says, "More people need to get involved. STOP getting embarrassed and show your stuff."

### Why don't more teachers dress up for spirit week?

Mr. Tauber said, "I don't dress up on spirit week because I already dressed up when I was in high school."

### What was the wildest thing you wore during spirit week?

David Bisbee said, "My awesome Leejer suit for Flashback Day"

WE GOT IT ALL.....

# Red Ribbon Week 1995

Red Ribbon Week was the week of October 20-28, 1995. Many students participated in the activities. We had an assembly during sixth hour on October 24, 1995. A group called "Good Vibes" came and told us about drugs and much more. Many students said they were good and would enjoy seeing them again. That same night, we had a "Candlelight Walk." That is when you light candles and walk a couple of blocks for all those who died because of drugs and drinking. There was a skit before the walk. We did a great job !

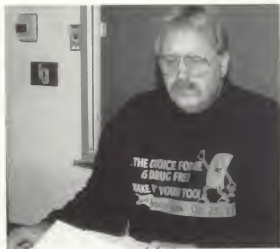

top right : Carmen Vaughn and Cassandra Knight have got a lot of spirit. To the left : We've got spirit, Yah, Yah, we got spirit.

Patrick Botts is walking for the Candlelightwalk. What's the matter? Did you see a ghost?

Brianne Debruler is really into The Candle Light Walk. Don't let the candles burn you !

Mr. Prohl is showing his spirit by wearing his Red Ribbon T-shirt. Good Job !

# NATIONAL EDUCATION WEEK 1995

National Education Week was November 13-17, 1995. On the 14th was Student Recognition day. Students were given Red Ribbons for outstanding work or improvement. Student Exchange day was on the 15th. Students taught classes for teachers that day. The students worked hard. Student leader day was when students were recognized for being officers in, among other clubs, national Honor Society, Student Council, or Business Professionals of America. Teacher Appreciation day was on the 17th. Teachers were recognized for being an inspiration.

TO THE SIDE: Kara Stewart - Mr. Sanchez for a day- seems to be writing someone up. BOTTOM RIGHT HAND CORNER: Jessica Rodgers is teaching on Student Teachers Day.

# BLOOD DRIVE

Once Again, the Calumet High School Wrestling room was prepared to become a blood donating center. The Blood Drive was held on March 20, 1996 and sponsored by Heartland and the CHS Student Council. They worked very hard in preparing this single event. The members of student council must go through training in order to help run the drive.

This year's goal was 100 pints. The student council was very pleased to discover that they had almost reached their goal. The final count was 96 pints. Maybe next year if students can get together and help them, they can meet and surpass that goal.

Here is the first place people go after they donate. Oh goody pop and cookies!!!!!!

Right: Ok Charles Brooks don't be scared it's not going to hurt that bad!  
Below: George Boldi decided to help out this year and signed-up for the Blood Drive.

Above: Here are a group of students who were happy to not only get out of school for the day, but also help out in the Blood Drive. Melissa Ramos, Kim Jackson, Katherina Hernandez, Jason Fulton, Beth Hopper, Tony Stash, Mark Botts, and Heather Sako help bring in essential items for the blood drive.

# Teacher of the Year

**What values or personality traits make "Teacher of the Year?"**

*Perseverance and the ability to communicate.*

**Why did you decide to become a teacher?**

*I had great role models in school.*

**What does it feel like to hold such an honor like Teacher of the Year?**

*I feel very humble and proud. It really is an honor.*

**What is the best quality you can instill on the children you teach?**

*Come to school every day. If you bring the mind, the body will follow.*

**What do you like most about our school system?**

*The diversification of*

*kids. We have every kind of kid there is.*

**What is your favorite thing about teaching?**

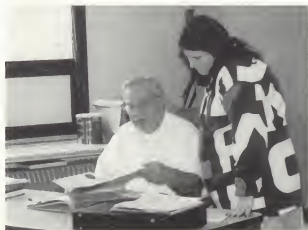

*The interaction with the kids, because that is how we share ideas.*

**What role do you think teachers play in the lives of students?**

*Leadership and how to conduct yourself. I believe that I do my job to the best of my ability.*

**In all your years of teaching what was the strangest thing that ever happened to you?**

*I told a student that he better not be late again. The next day his bus broke down, then the second bus hit and killed a horse, and the third bus hit a woman and killed her! I thought he was lying, but as it turned out he was telling the truth. From that moment on I have never doubted another student.*

Directions on how to be Successful....

## FRESHMAN

Jennifer Bodner says, "Do good in school, get good grades, and don't get into trouble."

"To be successful you have to stay out of trouble and remember that homework comes before going to a friend's house, the movies, etc. Also to be successful, you should always study before a test." Harry Burke

Gina Romano says you must put in hard work, have a good attitude, and have goals for yourself in order to be successful.

Above is Gina Romano, one of our successful freshmen.

Alissa Bergman says that being successful requires good grades and studying.

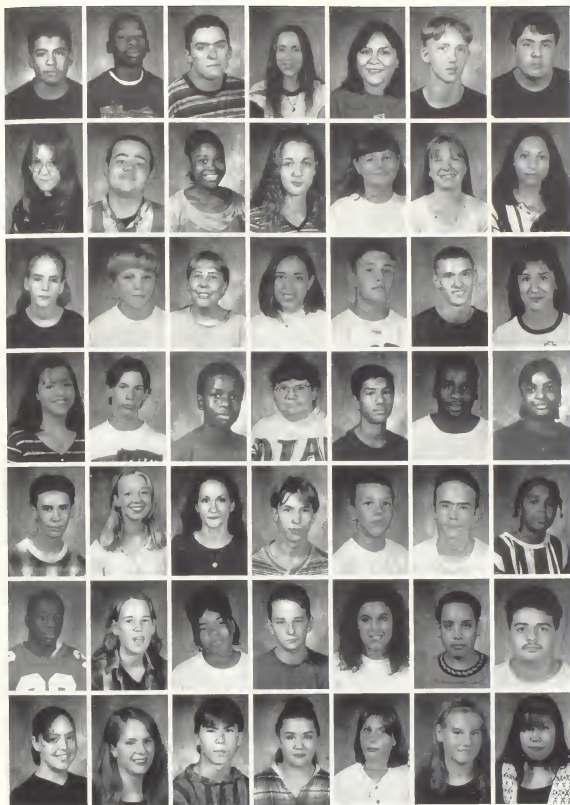

John Reiser feels that it takes hard work, dedication, and the know how to do it.

Erika Bank says, "Hard work and effort. It's important to be the best you can be because you have three more years ahead of you. It also helps if you look good."

Chris Lukawski says to be popular and have friends. He also says to try not to get picked on because the freshmen are a lower class and they are always getting picked on.

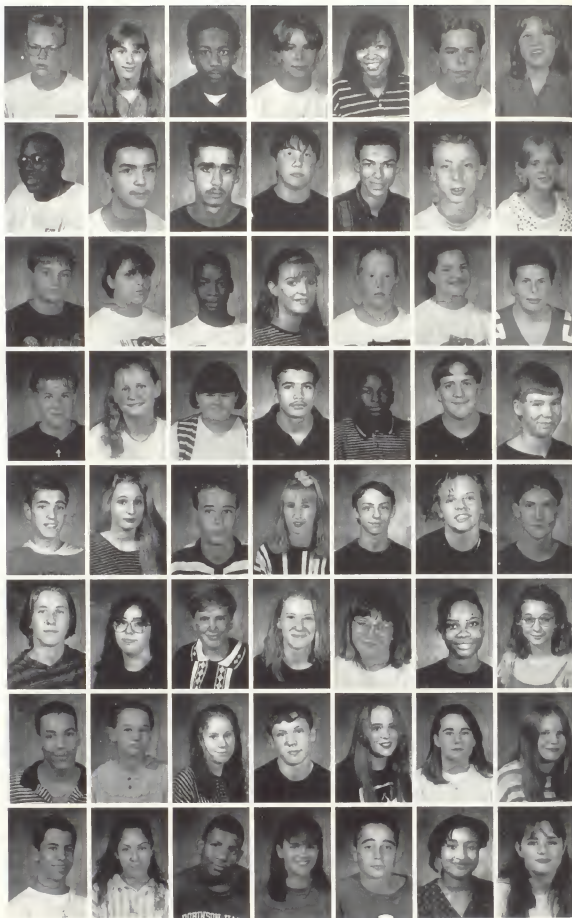

Chris Bogash takes time out to read the newspaper in the guidance office while waiting for Mr. Pribyl to yell, "I need a runner."

# State Champions!

The 1995-96 Calumet High School Academic Team reigns again as the State Champion in the social studies competition. Team members Adrian Wilkerson and Carrie Brown were members of the first CHS team to be crowned champions in 1994. This year's topic was Women. The team and Mrs. JoEllen Raby (coach), and other academic team members, went to Indianapolis in April for the state competition. Hopes were high before they left; and they didn't disappoint CHS!

The team also did a great job in local meets. They placed first in the Munster Invitational and the Merrillville Regional. Congratulations team!!!!

Academic Team Members Carrie Brown, Adrian Wilkerson, and Adrienne Potoma, with coach Mrs. JoEllen Raby, are all smiles upon receiving a \$300.00 check for winning the state championship in the social studies competition.

# Turnabout '95

## KISS FROM A ROSE

Turnabout is a traditional dance that gives the girls' an opportunity to ask the boy to the dance. This year's Turnabout Dance took place on November 18, 1995. The theme was "Kiss From A Rose." Decorations filled the foyer to set the mood of romance. The Turnabout pictures were taken by a Calumet alumni, Anna Blackmon. Turnabout is a long awaited night where couples and friends gather for an unforgettable evening. The dance was sponsored by the band boosters who did a great job on the decorations.

# HALLOWEEN DANCE!!!!

The Halloween dance was held on October 27, 1995. The dance is sponsored each year by the band. All proceeds go to the annual Turnabout dance held in November. There were refreshments and contests. The winner of the best costume was Freshman Angela Bennett, who was a bird woman. She won \$20.00. Second prize was given to Justin Johnston who was dressed as Ike Turner. Good job to everyone who dressed up! The dance was a success and they look forward to many more Halloween dances in the future.

# IT'S LUAU TIME!!

This year the advanced art class joined the advanced cooking class in their Hawaiian festivities. The cooking class first prepared a paper on some tropical islands. Then they cooked up traditional Hawaiian meals with names such as Seafood Ono Ono, Loni Loni Salmon, Sweat and Sour meatballs, and Hawaiian pie. The art class joined in by showing off their talent with homemade placemats, wall hangings, face masks, palm trees, and leis. Then they decorated and dressed up in Hawaiian outfits and ate the very tasteful dishes.

# The Monkey's Paw

The genie in the bottle is a famous tale of Arabian origin. "The Monkey's Paw" is the English version of the well-known legend. The main focus of the play is to determine whether our lives are preordained or whether we have control of our destinies. The time of the play is the mid-1900's and it takes place in Suburban England during a cold, rainy autumn. The play begins with an old friend, Sergeant Major-Morris, visiting the White family. He tells them about the monkey paw and how evil it is. Mr. White is very curious about it and asks if he may keep it. Sergeant-Major Morris begs him not to and throws the paw into the fire. But the moment he leaves Mr. White pulls it out of the flames and wishes- es on it. "Bring our family wealth," he says. Helen, his daughter thinks it is very foolish and heads off to her job at a factory. Through an unfortunate accident the White's receive "their wealth" with only two wishes left, they try to correct what went wrong. Were they successful?

Top: Helen and Mr. White play a game of chess, not knowing this may be the last time they will see each other.

Left: Sergeant-Major Morris played by Alberto Gomez, Helen played by Lisa Bank, and Miss Ward played by Renee Garza, stand by and wait for their scene.

# Prom Queens Unchained

On January 17, 1996 the Calumet Drama Club opened its first play of the year. *Prom Queens Unchained* was their first musical in three years. The play revolves around a few days in the lives of four prom queen nominees and their desperate attempts to gain, or lose as the case may be, the coveted crown. The plot gets more complex with the arrival of a "foreign" exchange student named Venulia, played by Michelle Conner, who actually turns out to be an alien planning on destroying the earth. Attempted murder, coupled with zombies rising from the dead, made this performance quite unique.

The play concludes with Venulia being crowned prom queen and the conceited Grant Cassidy, played by Joe Jabkowski, being stripped of his prom king title and juvenile delinquent "Switch", played by Adrian Wilkerson, receiving the crown.

The Drama Club did a spectacular job on this production and they would like to thank Mrs. Potoma and the band for their excellent job on the music.

# Snow White & Friends

Hi ho, hi ho it's off to have fun we go with the CHS modern version of the beloved fairy tale! Of course all of the familiar characters are here, but they may be a little different from your childhood memories! When The Huntsman fails to bump off the beautiful princess, Snow White (although he still gets his ticket to Bermuda), the Vain Queen, who wants to be the most beautiful in the

land, decides to do the job herself. The dwarfs aren't named Dopey or Grumpy or Doc, but are given more

popular names such as Pythagoras, the mathematic dwarf, Juliet, who loves hearts and flowers, Einstein,

his I.Q. is out of the visible spectrum, Rembrandt, who loves to draw, Arnold, who is very strong, and Scrooge, who no one can stand but it doesn't matter because he's always right and you're wrong. The Drama Club did an excellent job on this modern version of Snow White. We give it **FOUR STARS!!!!**

# SPORTS

# Boys Instant Impact Tennis

The boy's tennis team had yet another wonderful season this year. Led by Coach Tauber, the Warriors tennis team fought hard all season. Although our Warriors did not come out on top, it can be said fun was had by all. Players remaining are expecting to have a better season next year, the season record was 5-12. Three seniors will not be here for next season and the boy's tennis team will feel the lose of Adrian Wilkerson, Robert Keene, and David Gregory.

#### What will you miss the most about CHS tennis?

David Gregory

"I will miss the companionship and the comroderly between the team, but I'll especially miss the enjoyment of just being on the court."

Adrian Wilkerson

"I will miss the competitive spirit of the sport, the support of my teammates and friends. I will especially miss Coach Tauber's humor, guidance and support."

Robert Keene

"I know I will also miss the competition of the game, most of all I will miss my fellow teammates."

This year Captain Mark Botts received the Offensive Back Award.

At Calumet, sports are a very important subject. In some cases, the "no pass, no play" rule has encouraged athletes to give that extra effort in both football and in the classroom. So yes, football is very important in these guys' lives. They view their sport as a personal exhibition geared toward the team cause. Therefore, much individual effort is exerted as players attempt to combine their strengths to conquer the opposition. There are 13 seniors that will be missed next year. Those seniors are: Mark Botts (Captain), Jay Fulton, Anthony Jordan (Captain), David Bisbee (Captain), Albert Mason, Kris Hardy, Chris Traicoff, Seleno Gomez, John Borgo, Mike Slobozian, Antwon Fortier, Charles Brooks, and Eric Perez.

## WARRIORS FUTURE STOCK

The J.V. squad had a fair 4 - 4 overall and 3 - 3 in conference record. That's the best record J.V. football has had in over three years. This was quite a shock for junior varsity fans. The team worked hard in practice everyday, and the improvemet showed greatly through each game. This was a team of mostly freshmen and sophomores, which makes our future look bright.

The JV. volleyball team had a tough season, but never gave up. The team consisted of mostly freshmen so it was a learning experience for everyone. The team always worked hard in practice and in games. They never let anything get to them. They always did their best and it paid off with a win against Lew Wallace. If everyone returns they will have an exceptional season next year.

The girls' volleyball team had a rough season this year. Although they may not have won many games, they never gave up. The team was always working hard in games and practice. Everyone on the team worked well together and always helped each other out even when they made mistakes. The team will miss these five seniors: Zabrina Harris, who was Co-Captain and received Most Outstanding Hitter and Blocker, Anissa Magee, who also was Co-Captain and received Most Outstanding Hitter and Blocker, Lyniece Lewter, Co-Captain who received Most Consistent all-around player, Hollie Botts Co-Captain received Most Outstanding Passer, and Kameka Applewhite who received Most Improved Player.

# Warrior Off Spirit

The Warriorettes' effort, determination, dedication, and perseverance have made this season the greatest. The Warriorettes' hard-working attitudes are a product of their desire to be better. The Warriorettes' highly competitive views are the reasons for the improvement in their performances. The Warriorettes had to overcome contrasting ideas to become a positive team. They pushed themselves to the limit so they could reach their goals. The routines that were performed were more energetic and unique. The Warriorettes' beliefs have definitely made an impact on their team. The Warriorettes have accomplished so much this season. Their teamwork helped them overcome the odds. The time and hard work has made this season one to remember. The overall qualities of the 95-96 Warriorettes contribute to their season of great success.

"Well, it's my senior year and cheerleading is over. I'm sad about it because I've had good times and bad times too. I have always felt that we have had a great varsity squad." —Nykia Lewis

"We've had our share of good times and bad. I love the squad and will never forget them and the fun times we had together at practice, camps, tryouts, reviews, etc. But, now that it's all over I will miss it all." —Heather Sako

"Being a cheerleader this year has been a lot of fun. It has made my senior year very memorable. I became good friends with all of the girls. I'm glad I chose my senior year to be involved in cheerleading." —Kara Stewart

## Cheerleaders

The Calumet High School Cheerleaders show dedication to Calumet High School, the athletes, and to their community. They lift up the spirits of the Warrior fans and their cheers echo even after the game is over. The athletes appreciate the girls' high spirits. A few cheers can not only raise the hopes of the fans but also the team. The cheerleaders show their citizenship by participating in their community. The cheerleaders held a cheerleading camp for the future Calumet High School Cheerleaders. The cheerleaders and the wrestlers were the first to bag groceries at Wiseway Superstore for charity. The Calumet High School Cheerleaders are like no other cheerleaders in the area!

# A Season To Savor....

The Calumet Warrior basketball team ended their season this year as the 95 - 96 sectional champions. The Warriors had an overall record of 15 - 7 and a conference record of 6 - 3. This was a tremendous year for the Warriors, going so far with a team consisting mostly of juniors. The Warrior basketball fans always came out expecting to see a good game, but they probably didn't expect this. The Warriors came out explosive; starting the season with a five game winning streak and letting other teams know that they weren't to be underestimated, and that height wasn't everything, considering the fact they only had one player who was over 6ft. tall, who was junior Deshawn Parks. This was truly an exciting season for the Warriors, one that some will never forget. This year only four seniors will be missed; David Bacon, who was an excellent point guard for the Warriors that knew the game, he received the best attitude award. Anthony Jordan, who played the small forward position, had good defense, and could step up every now and then, and received best defensive player award. Eric Perez, who played forward position, had an superb shot from three point range, he received the best field goal percentage award. And Jason Gray, who played center.

# Lady Warriors' Pride Wasn't Denied

The Lady Warriors ended their season with an 11-9 overall record, and a 6-3 conference record, which was fair, but not fair enough for these ladies. Their goal this year was to go undefeated in conference, but a loss to conference match-up Highland by two points crushed the ladies' dream. This didn't stop the Lady Warriors. They continued to practice hard, play hard and have exciting victories throughout the season. This year the Lady Warriors will be losing four seniors: Kameka J. Applewhite, who received a 3 year letterwinner award; Anissa Magee, who received 4 year letterwinner award, blocked shots, and most valuable defensive player; Lyniece Lewter, who was our "sixth man," and Zabrina Harris, who also received a 3 year letterwinner award, most FG%, FT%, most steals, rebounds, blocked shots, MVP three years straight, and was Calumet's school record-holder for most points ever scored by a girl basketball player (1,018). Zabrina was also the first basketball player from CHS to try-out for the Indiana All-Star team.

# Young and Improving

It was a pretty rocky start for the Junior Varsity Lady Warriors, but the improvement showed greatly over the season, through hard work in practice and lots of determination. They never gave up hope through each game. No matter what the score was, they kept their heads up, fighting and hustling to the last buzzer. Whatever the outcome of the game was you could always see a smile on their face when it was over, cheering on their fellow varsity team before they began to play. This was a team full of potential with five freshmen, three sophomores and one junior, which means skills will be improving.

# Wrestling

The Warrior wrestling team is a team of great depth and pride. The records held by the wrestling team has shown that practice does make perfect. The contributions for the success of this season and past seasons comes from their tremendous heart and dedication. The spirit of the team comes from their encouragement and support of each other.

The wrestling team is often overlooked, mainly because their success is no surprise. Coach Wadkins taught the wrestlers self-discipline and respect - of self and of others. The coaches' support and long hours is greatly appreciated by the Warrior wrestlers. It is no surprise to anyone that the wrestling team is always such a success. The hard work put into the wrestling program has contributed to the many goals reached this season.

## Making Waves

The Seahawk's season was quite different from past seasons. The freshmen stepped up to become a tremendous part of a successful season. Records were shattered by this year's talented freshmen. The seniors' inspiration and experience had an important impact on the season. The underclassmen have learned from their guides and will definitely come back stronger next year. Coach Starewicz taught his team that time and appreciation for the sport is all that is needed for success. With their positive attitudes and hard work, the winning tradition will continue next year.

# Running with Pride

The Calumet Warrior track teams began their season this year with three new coaches: Mr. Shawn Begley, Ms. Debby Langel, and Mr. Mark Eggleston. Once again the teams were small, having only 6 girls and 14 boys participating. This never stopped the team from giving it their all at all meets. Members of the track teams had to endure practices in the bitter cold, rain, wind, and, *occasionally*, sunshine so they could improve their performances. Seniors making an impact on this year's team were: Kameka Applewhite, Anissa Magee, David Bisbee, Eric Hasket, Anthony Jordan, and Victor Wilcher. Each senior contributed many points for the Warriors this season.

# Baseball

This year the baseball team struggled, but had some individuals who had a great season. Senior standout Darryl Ramos set a school record for the number of strike-outs by a CHS pitcher: 120. He was also selected to the Lake 10 All-Conference first team. Darryl also had a .314 batting average. Teammate Anthony Hofer led the team with a .324 batting average. Anthony was selected to the Lake 10 Conference Honorable Mention team.

The team ended the season with a 10-19 overall record and a 5-13 Lake 10 Conference record. The Warriors' season came to an end with a 2-10 loss to Lake Central in the first round of sectional play.

# Diamond Fever

The girls softball team had an exceptional season this year! Many records were broken, such as having a record season of 8-10 and 3-6 in the conference, and getting past the first round of sectionals by beating Lew Wallace 32-4. The improvement can be marked by the dedication of the seniors who stuck with the program for four years. These seniors will be missed, but they have left a new tradition in Warrior softball. These seniors are: Zabrina Harris who plays centerfield, was selected Lake 10 Honorable Mention, and hit a grand slam in the sectional game against Lew Wallace; Michelle Lowe who plays third base; Kelly Duncan who plays leftfield; Brandi Bailey who plays second base and also was selected Lake 10 Honorable Mention; and Hollie Botts who pitches for the team.

# Lady Netters

Long hours of practice, hard work, and dedication have made this year's tennis team a success. The Underclassmen have shown a desire to learn. They have worked hard to be tough tennis players. Seniors, Lyniece Lowter and Erin Whitson have shown what four years of dedication can do. They are truly an example of superb athletes. These components have made the Lady Netters fierce competitors.

# WARRIOR NEWS

The Chieftain Newspaper is funded by the school board. The staff consists of nine students. These students gather facts and statistics then write them into an article. They are responsible for coming up with their own topics to write about and are responsible to meet deadlines. The staff tried several new ideas this year. In the Christmas edition there was a nickname contest, one paper asked questions to four students such as who was your first kiss or who is your favorite dwarf, and even a horoscope section. Shout-outs were also started this year but ended because students and faculty thought it was causing controversy. We asked a staff member "What is the best thing about newspaper class?" LeAnne Miller answered, "Writing articles and being able to express your opinions on certain subjects. You get to write about things that interest you." "The best thing about the newspaper," says Vanessa Burk, "is the teacher. Ms. Green makes it worth taking the class. Without her I wouldn't be who I am today."

We asked Beth Hopper what her best article this year was? Beth said, "My article about CHS getting the alternative school was my best because people were informed of what is going on there and what it's about."

We hope that the Chieftain Newspaper keeps bringing us important information on current events in our school and the world today.

The yearbook staff is busy throughout the year putting together a yearbook for everyone to enjoy. Much effort and time goes into putting a yearbook together. The staff must keep up with upcoming events, make sure pictures are being taken and meet all of their deadlines. The yearbook traveled to St. Joseph College during the fall. There they learned how to improve the upcoming yearbook.

Senior Danny Lewter designed this year's cover and also designed each division page with the help of Lyniece Lewter. Brandy Thornberry and Jennifer Jabczynski were the Chieftain photographers.

The Student Council is a group of 60 students who are the true leaders of Calumet. They try to get their peers involved in new and exciting things. This year Student Council representatives were picked out of each advisement class. Each class voted for one person who would inform the advisement class what took place at the meetings.

Besides computer match-ups, blood drives, and the annual fun fairs, the student council is always looking for new ideas.

They asked students and faculty to donate old coats, to give to less fortunate children during Christmas. The penny

*"Student Council is a great way to be active in school and help make changes."*

war was also started this year. Each class president carried an empty milk jug around to raise money for Riley's Children's Hospital.

Some Students attended a convention in Merrillville, where they learned how to better improve our school. At Merrillville they also learned about "Honor Council." To be in Honor Council you must record all of the meetings, keep a budget, do charity or community service, and be adopted by another school that is already a member of Honor Council. Calumet would like to thank Portage High School for adopting us.

Student Council works hard all year long to make our school better for everyone.

## National Honor Society

Our National Honor Society has done great this year. They believe that helping the people in our community is a vital part of success. They visited a nursing home this year to help pick up the spirits of the people who live there. The students helped them to play bingo and they all had lots of fun.

In this world it's survival of the fittest and these people are ready for whatever comes their way.

# Business Professionals of America

Business Professionals of America is a national organization including 16 of the United States. During the year B.P.A. sponsors many fund-raisers to help pay for their trips and competitions. One such fund-raiser was selling Valentine's Day balloons and candy.

This year the B.P.A. travelled to Phoenix, AZ. to participate in the national competitions.

We are proud of their accomplishments and urge them to keep up the good work.

This year, the flags worked hard. They worked long, hard hours so they could go to contest and much, much more. The flag team also performed with the band on the football field and the parades. The flag director worked the girls at two hour practices almost everyday so their routines would look good. All the practice paid off as they displayed great ability.

Our academic competitors are separated into three groups: The Academic Superbowl Team, The Congress Team and The Spellbowl Team. Many students that participate in these competitions don't limit themselves to just one category and often involve themselves in all three. Mrs. Raby, the Academic Team sponsor, had this to say about her team. "The Academic Team is a jewel in the rough. A small handful of the student body dedicate themselves to an intensive, long term study and have shown consistently high results." She then went on to say this, "I will be forever proud of the team I have coached the past four years."

The Vocational Industrial Clubs of America program, otherwise known as V. F. C. A. , offers opportunities for students to excel. Through this program students learned about responsibility and leadership.

Hoping to jump ahead into the real world, students took advantage of this job-preparatory class offered in the curriculum.

This year in the field of plumbing, Mike Laskarin came in 4th in the competition in Indianapolis.

Great Job Mike and the whole V. F. C. A. club!!

# P.revention U.sing S.tudent H.elp

P.U.S.H., which stands for Prevention Using Student Help, is Calumet High School's drug awareness program. Sponsored by Mrs. Weakland, this group of students work together to help fellow high school, middle school and elementary school students become more aware of the harmful effects of drug use. This year, during White Ribbon Week, P.U.S.H. and the Drama club collaborated on a skit about gang awareness entitled "No one wins".

P.U.S.H. also sponsored a candle-light walk during Red Ribbon Week to remember those who have died due to drug and alcohol abuse.

We at Calumet are extremely proud of the efforts that the P.U.S.H. team has put forth in order to better educate us.

The Spanish Club is a multi-cultural experience that is very rewarding and which lends itself to future endeavors. The club consists of anyone who is enrolled in Spanish class and who has paid a fee of \$3.00. The money goes toward field trips to plays such as Don Quixote at Bishop Noll and Shear Madness in Chicago. Unfortunately the club didn't travel to Spain this year, but Mrs. Jones, as well as Spanish Club members, hopes to go next year. The Spanish Club also had the La Tropa Michoacana performing the Ballet Folklorico for club members and honored guests.

# Class Olympics

*This year the yearbook staff held the first ever Class Olympics. The idea was to try something new and fun to get student involvement. It also gave the staff the opportunity to raise money for the upcoming yearbook. Weeks of preparations went into getting everything organized for this fun filled event. The Class Olympics was held on December 20th, 1995 in the Calumet fieldhouse. The events and winners are as follows: Hula hoop race won by the Freshman class, Pie-eating contest won by the Junior class, Tug-of-war won by the Senior class, Clothes race won by the Senior class, Orange pass won by the Sophomore class, Relay race won by the Senior class, and the Balloon race won by the Junior class. One point was given in each event to the winning team. The final score was class of 1999- 1 point, class of 1998- 1 point, class of 1997- 2 points, and the class of 1996- 3 points. The Senior class was awarded \$50.00 for their class fund. We would like to thank everyone who helped make the first Class Olympics the success that it was.*

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999).

There is a growing awareness of the need to address the needs of people with mental health problems, and the importance of the role of the community in this. The World Health Organization (WHO) has identified the need for a 'new paradigm' in mental health care, one that is based on the principles of recovery, empowerment, and social inclusion (WHO 1993). This paradigm is based on the idea that people with mental health problems are not just passive recipients of care, but active participants in their own lives. It is based on the idea that people with mental health problems are not just 'patients', but 'citizens' who have the right to participate in the decisions that affect their lives.

The new paradigm is based on the idea that people with mental health problems are not just 'patients', but 'citizens' who have the right to participate in the decisions that affect their lives.
